WHO CAN APPLY?

- High school graduates or higher education graduates
- Professionals seeking academic or career advancement
- Students wishing to study these high-quality programs from anywhere

PROGRAM STRUCTURE

Each of our four English-taught undergraduate programs is carefully designed to provide students with the theoretical knowledge and practical skills needed for success in a globalized world.

Economics

- Gain a deep understanding of macroeconomics, microeconomics, international trade, and development economics
- Analyze current global economic challenges and propose data-driven solutions
- Develop strong quantitative and analytical thinking skills

Business Administration

- Learn modern management techniques, marketing strategies, financial analysis, and organizational behavior
- Develop entrepreneurial thinking and problem-solving ability
- Build leadership skills for business environments across borders

Political Science and Public Administration

- Explore political theory, comparative politics, public policy, and governance
- Understand administrative systems and legal frameworks in national and international contexts
- Gain tools to analyze and address complex public sector challenges

International Relations

- Study diplomacy, conflict resolution, foreign policy, and international law
- Understand the structure and function of global institutions like the UN, EU, and AU
- Gain insight into global issues such as migration, climate change, and security

CAREER OPPORTUNITIES

Graduates of these programs are equipped with versatile skills that open doors to a wide range of career paths in both public and private sectors across the globe.

Public Sector

- Ministries and government agencies
- Local government administration
- Foreign affairs and diplomatic services
- Public planning and budgeting departments

Private Sector

- Banks, insurance firms, and financial institutions
- International and local corporations (especially Turkish companies operating in Africa)
- Marketing, sales, and management positions in multinational companies
- Human resources, project management, and business consultancy

International & Non-Governmental Organizations (NGOs)

- United Nations, African Union, ECOWAS, and similar organizations
- NGOs working in development, education, human rights, and health
- Policy research and advocacy organizations

Academic & Professional Development

- Eligible for Master's and PhD programs in Türkiye and in the Worldwide
- Opportunity to pursue academic research and university-level teaching careers
- Enhance qualifications for civil service and competitive exams
- Combine your cultural and linguistic skills to contribute to international projects
